OLD BUSINESS

25X1A

[REDACTED] presented to the Board revised figures for the remaining unencumbered FY 60 funds - [REDACTED]

25X1A

The Board first considered the OC-T proposal for allocating funds for the new building microwave. Agreement was unanimous that the equipment was required and that funds would be provided by readjusting priorities of items yet to be procured.

OC-E tabled a list of equipment remaining to be procured during FY 60. The items were reviewed and appropriate priorities were assigned, and items not urgently required were deleted. Final cost was reduced to approximately \$440,000. OC-E was authorized to continue procurement in accordance with the priority list.

*MSB*

OC-S requested funds for increasing the number of KW-26's to be procured during FY 60. This increased rate is necessary to meet the KW-26 program schedule. Decision on this matter was deferred to an ad hoc meeting to be held within two weeks.
